

INFO CORONAVIRUS – TRAVELLING ABROAD

Countries and regions are colour-coded in order to be aware of the measures to be taken, obligations and travel bans.

TO FIND OUT THE UPDATED LIST OF COUNTRIES AND AREAS IT IS ESSENTIAL TO VISIT THE Federal Public Service Foreign Affairs' OFFICIAL WEBSITE

www.info-coronavirus.be

<https://diplomatie.belgium.be/fr>

This website is updated on a regular basis

Travelling is possible

Travelling is subject to conditions that must be respected upon arrival at destination

OR

Heightened vigilance in some countries or regions within those countries

Travelling is not possible or authorised

Belgium formally bans non-essential travel outside the European Union, the Schengen area and the United Kingdom. This measure is in force until further notice. These countries are considered as red zones
+
List of red zones on the Foreign Affairs website.

You want to travel to ...

You come back from ...

Each person who returns to Belgium from any foreign country or who wishes to stay in Belgium for more than 48 hours will have to fill in an identification form (Passenger Locator Form) <https://travel.info-coronavirus.be/fr/public-health-passenger-locator-form>

LEGAL OBLIGATIONS WHEN YOU RETURN
Mandatory quarantine and screening when you return from all countries outside the EU and the Schengen area and from all red zones
Obligation to contact your general practitioner and mention your travel history in order to undergo testing.

Quarantine and screening are recommended

Contact tracing: slowing down the virus together

Contact tracing is one of the measures to prevent the spread of the virus.

A staff member of the authorities will call you. It is important that you answer the questions as fully as possible: He or she will ask you about the list of contacts you drew up.

Those data will be treated confidentially

Thanks to your cooperation, the people you have been in contact with will be informed in time.
