

# COVID MEASURES 17 NOVEMBER 2021

1

Wearing a face mask is mandatory indoors from the age of 10, except at school where the obligation begins at the age of 12

2

In all the places where the CST is required, wearing a face mask will be mandatory (night clubs: possibility of taking an antigen test on the same day or self-testing on site to avoid wearing a face mask)

3

Mandatory teleworking 4 days a week until 12 December, and 3 days a week from 13 December onwards, unless the nature of the function or the continuity of the activities do not allow it.

4

A third dose of vaccine will be offered as soon as possible and vaccination of children between 5 and 11 years old will start as soon as the positive opinion is received

5

It is highly recommended to limit social contacts
